Dear Friend,

I wanted to take a moment to express my deepest gratitude for your ongoing commitment to our cause. Your generosity has been instrumental in transforming the lives of orphaned and vulnerable children, families, and inmates. Thanks to supporters like you, we have been able to give the less fortunate an opportunity to thrive and build brighter futures.

Here are some highlights from the past year:

- We have continued to provide orphans with hope for a better future at our Access Hope Children's Home in Kitale, Kenya.
- This year, five children joined our home, and we have been fortunate to secure generous sponsors.
- Our Community Based Care program has expanded, ensuring vulnerable children receive care, education, and nourishment within their extended family settings.
- Our livestock and agricultural endeavors have grown, contributing to our sustainability efforts.
- We recently held a graduation ceremony for all the participants who successfully completed our training program within the prison system. Moving forward, we remain committed to supplying essential resources to local prison facilities and aim to relaunch the training program in the next financial year, ideally with the support of sponsors.
- Construction of Guest House for our Home Director and his family, visiting teams, and myself has commenced, aiming to generate funds through donations from visitors, rather than relying on local hotels.

We remain deeply thankful for all that has been achieved and trust you have felt valued and integral to this work.

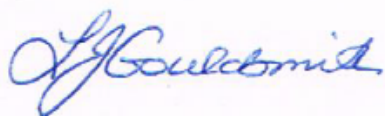

As we enter a season of reflection and generosity, I invite you to consider Access Hope in your end-of-financial-year plans and giving. Your tax-deductible donation, extends both assistance and hope to those in need.

If you can give extra this year, I kindly urge you to direct your additional donation to Access Hope. Your support will enable us to broaden our programs, reach more children in need, and continue providing them with the love, care, and resources they deserve. You can donate through our website [www.accesshope.org.au](http://www.accesshope.org.au) using our 'Donate' button. Alternatively, you can transfer directly into our Westpac Bank account: BSB 036 179 Acc No:148789.

Your ongoing partnership and support are invaluable to us, and I cannot thank you enough for standing with us in our mission to bring hope and brighten the futures of those in need in Kenya.

Should you have any queries or require further information on how your extra donation can make a difference, please don't hesitate to reach out. Together, we can create a profound and enduring impact on the lives of these precious children, families, and inmates.

Yours faithfully,

Linda Gouldsmith  
Chief Executive Officer

**Here is a glimpse of our thriving crops, alongside some of the children showing affection to one of our goats. We are grateful for our bountiful harvest and the presence of multiple livestock.**

**Thanks to the incredible generosity of everyone who has contributed, we have made remarkable progress on the Guest House construction in just one year. With ongoing support, we are confident that we will see this project completed in the near future.**

**This year, we celebrated the graduation of inmates from our prison program. We are delighted to witness the newfound hope in many young men, all made possible through the generous sponsorship of many individuals. As we look ahead, we aim to secure additional sponsors for the next cohort of prisoners who are eager and prepared to transform their lives.**
